Re: Request for Reconsideration of Complaint and Request for Correction to Federal Data Quality Act Concerning "Consumer Campaign on Safe Use of OTC Pain Products"

Dear Ms. Buc and Ms. Beardsley:

Your request for reconsideration of complaint and request for correction pursuant to Section 515(a) of the Treasury and General Government Appropriations Act for Fiscal Year 2001, Pub. L. No. 106-554, 114 Stat. 2763A-153 (2000) (the Federal Data Quality Act) concerning the Food and Drug Administration's (FDA's) Consumer Campaign on Safe Use of OTC Pain Products is still under review. While our goal is to respond within 60 days to such requests, we are unable to do so in this case. We anticipate that a response providing the agency's views will be forwarded to you by April 4, 2005.

Thank you for your interest in the quality of information disseminated by FDA.

Sincerely,
