2

## Who else should be targeted?

- ▶ Particular organizations or listservs
- ▶ Personal or specified messaging
- ▶ Role of members in getting to those groups

3

## Messaging

- ▶ Do we want to modify how the recs look based on who we are sending them too?
  - Modifying length
  - Modifying emphasis
- ▶ If there will be specific messaging, should we also suggest how we want them to use the recommendations?
- ▶ Should we request “action plans” from everyone about actionable steps they plan to take?
  - Develop a plan in your particular context and share with us

4

## Working Group?

- ▶ Group of non-federal members to think through dissemination of recommendations and any other products that come out of NAPA
- ▶ Develop executive summary
- ▶ Ordering the recommendations based on theme or driver diagram?
- ▶ Identify and setup visits with Congress
- ▶ Make sure that the wide variety of viewpoints represented on the Council are shared with stakeholders
- ▶ “Other duties as assigned”
