

ADVISORY COUNCIL MEETING ANNOUNCEMENT

The next meeting of the Advisory Council on Alzheimer's Research, Care, and Services will be held on Monday, January 26, 2015 from 9:00am to 5:00pm EDT. The meeting will be held at the U.S. Department of Health and Human Services (HHS), 200 Independence Avenue, S.W., Great Hall, Washington, D.C. 20201, and webcast live on <http://www.hhs.gov/live>. Please allow 30 minutes to go through security and walk to the meeting room.

The Advisory Council will hear a presentation on IOM's final expert panel on Advanced Dementia, which will provide additional recommendations for the Council to consider. The Advisory Council will spend the majority of the meeting to review the work it has accomplished thus far towards the 2025 goals, and will hear presentations from the subcommittees (Research, Clinical Care, Long-Term Services and Supports, and Ethics) for updates to the 2015 National Plan. The Council will then discuss the process for developing recommendations for the 2015 update for the National Plan.

Public Attendance: Seating is limited. Individuals who wish to participate should send an email to napa@hhs.gov with "January 26 Meeting Attendance" in the Subject line by Friday, January 16, 2015. Names need to be put on a list of expected attendees and forwarded to the security officers at HHS. Any interested member of the public who is a non-U.S. citizen should include this information at the time of registration to ensure that the appropriate security procedure to gain entry to the building is carried out. Although the meeting is open to the public, procedures governing security and the entrance to federal buildings may change without notice. Attendees need to have a photo ID to gain entrance into the building.

Public Input: Time is allocated mid-morning on the agenda to hear public comments. The time for oral comments will be limited to two (2) minutes per individual. Attendees who wish to make public comments should include that information in their "January 26 Meeting Attendance" email; this information is also needed by Friday, January 16, 2015.
