Dear Mr. Elford:

Your appeal of the denial of your Request for Corrections under the Office of Public Health and Science (OPHS) Guidelines for Ensuring the Quality of Information Disseminated to the Public, received by OPHS on May 20, 2005 is still under review.

We wrote to you on February 07, 2006 indicating that we would need additional time to complete our response to your appeal. At this time we are continuing to prepare our response but require additional time to coordinate Agency review. Our goal is to have a response to your appeal within 60 days of the date of this letter.

Sincerely,
