Re: Information Quality Requests for Correction, dated 3/25/2016 and 4/27/2016

Dear Mr. Bonn:

Your information quality request for correction received by CDC on May 12, 2016, and the amendment received on June 6, 2016, under the HHS/CDC Guidelines for Ensuring the Quality of Information Disseminated to the Public, submitted on behalf of the American Suntanning Association, are still under review. These requests are listed as #60 on the HHS website on Information Quality Requests (<http://aspe.hhs.gov/infoquality/requests.shtml>). While our goal is to respond within 60 days to such requests, we are unable to do so in this case. We anticipate that a response will be forwarded to you by December 2, 2016.

Thank you for your interest in the quality of information disseminated by CDC.

Sincerely,

/s/
