PTAC Member Disclosures	
Committee member	Disclosed Information
<i>Jeffrey Bailet</i>	I served on the AMA Large Group Advisory Board advising the AMA Board of Directors for four years ending 2012. Barbara L. McAneny was on the AMA Board of Directors at that time so she attended our 1/4ly meetings for the last year or so. I also testified before congress as one of four physicians including Barbara in April of 2016. I indicated these items on the form but do not feel they represent a conflict or challenge impartiality but wanted the Committee and ASPE’s perspective.
<i>Paul Casale</i>	Nothing to disclose.
<i>Tim Ferris</i>	Nothing to disclose.
<i>Rhonda Medows</i>	Nothing to disclose.
<i>Harold D. Miller</i>	I was not involved in the preparation of this proposal, and approval of it would have no effect on me. However, I have worked with Dr. McAneny on issues related to oncology payment for several years. I have visited her practice in New Mexico and have provided information to her and to Laura Stevens, the COO at IOBS, on several occasions. In addition, I do consulting work for the American Medical Association, and Dr. McAneny is the President of the AMA. Consequently, to avoid any appearance of bias, I will recuse myself from voting on this proposal. Harold D. Miller
