Video, Photography, Social Media Disclosure

This Summit, “National Research Summit on Care, Services, and Supports for Persons with Dementia and Their Caregivers,” is a public meeting. The Summit proceedings are being video recorded, photographed, audio recorded, and closed captioned. By attending this meeting, you grant permission to the National Institutes of Health (NIH) and the Foundation for the National Institutes of Health (FNIH) to record the Summit proceedings through these means and to reproduce, copy, or distribute worldwide any such audio, video, and photography for the purpose of education and information via the Internet, Intranets, print, and social and other media platforms. Please be advised that the news media may attend and report from all presentations. Also, in this public venue, attendees are permitted to capture images and comments of speakers and meeting participants via the use of personal mobile devices, including telephones and tablets, and utilize forms of social media (Twitter, Facebook, Instagram, etc.) to disseminate these images and comments. These activities are not under NIH or FNIH control.
