

NAPA Review Meeting

PRESENTATION AT THE
ADVISORY COUNCIL ON ALZHEIMER'S RESEARCH,
CARE, AND SERVICES
OCTOBER 27, 2014

SHEILA BURKE, MPA, RN, FAAN

Purpose of Review

2

- 3 years since the establishment of the National Plan and the Advisory Council
- Opportunity to reflect on progress
- Opportunity to consider strategy going forward

Original Charge to Council

3

- Advise Secretary in effort to carry out an annual assessment of the Nation's progress in preparing for the burden of Alzheimer's
- Evaluation of all Federally-funded efforts
- Recommendations for priority actions
- Initial recommendations
 - reduce financial impact on Federal programs and families
 - improve health outcomes
- Annually evaluate progress

Meeting

4

Convened a small subgroup of the Advisory Council:

- Laura Trejo
- Jennifer Mead
- Helen Matheny
- Ron Petersen
- DEB Potter, AHRQ/ASPE
- Linda Elam
- Rohini Khillan

Look Back/Tighten Up/Look Forward

5

- Should original goals be reconsidered?
- Progress is being made, but how do we most efficiently show it? What metrics are appropriate?
- Length and detail of recommendations and priorities
- Process used at arriving at recommendations
- Increase collaboration between federal and non-federal members
 - Subcommittees and Federal workgroups organize around goals?
 - More non-federal input into the plan
- Meeting topics / time allocation
- Use of subcommittees and frequency/regularity of meetings

Next Steps to be Considered by FACA

6

- Subcommittees review goals and strategies and determine if the goals need to be updated and consider if the right questions are being asked
- Consider audiences for plan. Revisit structure of Annual Update to the Plan to more clearly articulate goals and measurable progress on goals
 - List strategies separately?

Next Steps to be Considered by FACA (con't)

7

- Possible creation of two separate lists of recommendations: one short-term and one long-term
 - Allow the FACA to be bold and still be practical
- Agree upon metrics to be used to measure progress in achieving goals
- Determine if the right people are around the table
