RE: "Docket No. FDA-2013-N1317; Tentative Determination Regarding Partially Hydrogenated Oils; Request for Correction of Information Disseminated to the Public that Improperly Attributed a Study to the Centers for Disease Control and Prevention (CDC)"

Dear Dr. Bruner:

Your June 15, 2015, request for correction of information disseminated by the Department of Health and Human Services regarding a study "improperly attributed to the (CDC)" is still under review. While the goal of the Food and Drug Administration is to respond within 60 days to such requests, we are unable to do so in this case. We anticipate that a response will be forwarded to you by June 15, 2015.

Thank you for your interest in the quality of information disseminated by HHS. Should you have any questions, please contact Mical Honigfort at 240-402-1278 or mical.honigfort@fda.hhs.gov.

Sincerely,

Laurie Lenkel
