

Termination Notice

Pursuant to section 319 of the PHS Act, Secretary Azar determined that, as the result of the consequences of Hurricane Maria, a PHE has existed in the U.S. Virgin Islands since March 15, 2018 and in Puerto Rico since March 16, 2018. The Secretary's determination to declare the PHE was made after consultation with public health officials as necessary. As result of the PHE, the Secretary also determined pursuant to section 319(f) of the PHS Act that circumstances of the PHE necessitate a waiver from the requirements of the Paperwork Reduction Act, 44 U.S.C. § 3501 *et seq.*, effective as of May 21, 2018. The waiver is justified to collect information to support the Department's investigation of and response to Hurricane Maria.

Pursuant to the waiver, the requirements of 44 U.S.C. § 3501 *et seq.* shall not be applicable with respect to voluntary collection of information during the effective time period.

The Paperwork Reduction Act waiver is effective as of May 21, 2018 and is anticipated to remain in effect throughout the time period of the immediate investigation of and response to the emergency declared pursuant to section 319(a) of the PHS Act, and for a reasonable length of time for immediate post response review regarding the public health emergency.

Any initiative subject to this waiver that is ongoing after the termination of the effective period shall be subject to the requirements of the Paperwork Reduction Act within 30 days of expiration of the waiver. The waiver applies to the Assistant Secretary of Preparedness and Response.

This waiver is terminated on October 19, 2018.

This notice will be updated as needed.
