Re: Information Quality Requests for Correction, dated 6/4/2018 and 8/7/2018

Dear Ms. Norton:

Your information quality request for correction received by CDC on June 4, 2018 and the follow-up letter from Mr. Dale Parrott received on August 7, 2018 under the HHS/CDC Guidelines for Ensuring the Quality of Information Disseminated to the Public, submitted on behalf of the American Suntanning Association, are under review. While our goal is to respond within 60 days to such requests, we are unable to do so in this case. We anticipate that a response will be forwarded to you by December 5, 2018.

Thank you for your interest in the quality of information disseminated by CDC.

Sincerely,

Nicole F. Dowling, Ph.D.
