

Physician-Focused Payment Model Technical Advisory Committee

PTAC Member Disclosures on the Eye Care Emergency Department Avoidance Proposal

Members of the Physician-Focused Payment Model Technical Advisory Committee (PTAC) make disclosures on proposals in accordance with the Committee's bylaws (revised October 4, 2019). Disclosures assist members with recusal determinations. Having a disclosure does not necessarily mean that a member has a conflict of interest or inability to remain impartial. The following disclosures relate to the *Eye Care Emergency Department Avoidance (EyEDA)* proposal submitted by the University of Massachusetts Medical School.

PTAC Member Disclosures	
Committee Member	Disclosed Information
